

ACCESSIBILITY POLICY AND MULTI-YEAR ACCESSIBILITY PLAN

This accessibility policy and plan outlines how Lundin Mining Corporation ("Lundin Mining") complies with Ontario *Regulation 191/11* ("Integrated Accessibility Standards") under the *Accessibility for Ontarians with Disabilities Act, 2005* ("AODA").

Introduction

The Integrated Accessibility Standards Regulations ("IASR") under the AODA require that Lundin Mining establish, implement, maintain and document its accessibility policies and multi-year accessibility plan (the "Accessibility Plan"), which outlines Lundin Mining's strategy for preventing and removing barriers for persons with disabilities and to meet our requirements under the IASR. The Accessibility Plan can be found on Lundin Mining's website and is also available in an accessible format upon request. The Accessibility Plan will be reviewed and updated, if applicable, at least once every five (5) years.

Our Commitment

In fulfilling its mission, Lundin Mining strives to treat all individuals in a manner that allows them to maintain their dignity and independence. Lundin Mining promotes integration and equal opportunity and is committed to meeting the needs of people with disabilities in a timely manner. Lundin Mining seeks to achieve this by preventing and removing barriers to accessibility and by meeting accessibility requirements under the AODA for individuals based in **Ontario, Canada**. This Accessibility Policy and Multi-Year Accessibility Plan sets out Lundin Mining's policy on how it achieves accessibility generally, as well as in employment, and information and communications.

Under the IASR, the following accessibility strategies set out the requirements that are applicable to Lundin Mining:

1. Workplace Emergency Response Information;
2. Training;
3. Information and Communication; and,
4. Employment.

Customer Service Standards

Lundin Mining is committed to providing products and services in a way that respects the dignity and independence of people with disabilities. Lundin Mining has as an Accessible Customer Service Policy that addresses the AODA's specific standards for accessible customer service. A copy of this Policy may be accessed [here](#).

Accessible Emergency Information

Lundin Mining is committed to providing all customers and clients in **Ontario, Canada** with publicly available emergency information in an accessible way upon request.

Integrated Accessibility Standards Regulations (IASR)

The following sets out how Lundin Mining is committed to complying with the IASR.

1. Workplace Emergency Response Information

Where Lundin Mining is aware that an Employee has a disability and that there is a need for accommodation, individualized workplace emergency response information will be provided to the Employee as soon as practicable if such information is necessary given the nature of the Employee's disability.

Such measures could include:

- individualized workplace emergency response information developed for Employees with disabilities, as required;
- individualized emergency plan to be communicated to the Employee's respective manager on an 'as needed' basis;
- on an ongoing and regular basis, and as per the applicable terms of the IASR, Lundin Mining will review and assess individualized emergency plans to ensure accessibility issues are addressed.

2. Training

Lundin Mining is committed to providing training on the requirements of the accessibility standards referred to in the IASR and on the Ontario *Human Rights Code*, as it pertains to persons with disabilities.

Actions

In accordance with the IASR, Lundin Mining:

- determines and ensures that appropriate training on the requirements of the IASR and on the Ontario *Human Rights Code* as it pertains to persons with disabilities, is provided to all employees and persons providing services on behalf of Lundin Mining in the Province of Ontario, as well as all persons participating in the development and approval of Lundin Mining's policies;
- ensures that the training is provided to persons referenced above as soon as practicable;
- keeps and maintains a record of the training provided, including the dates that the training was provided and the number of individuals to whom it was provided; and
- ensures that training is provided on any changes to Lundin Mining's policies on an ongoing basis.

3. Information and Communication

Lundin Mining is committed to making company information and communications accessible to persons with disabilities. Lundin Mining incorporates new accessibility requirements under the information and communication standards to ensure that its information and communications systems and platforms are accessible and are provided, upon request, in accessible formats that meet the needs of persons with disabilities.

a) Feedback, Accessible Formats and Communication Supports

Actions

In accordance with the IASR, Lundin Mining:

- ensures that processes for receiving and responding to feedback are accessible to persons with disabilities by providing or arranging for the provision of accessible formats and communication supports, upon request and in a timely manner;
- more broadly, as a general principle where accessible formats and communication supports for persons with disabilities are requested:
 - provides or arranges for the provision of such accessible formats and communication supports;
 - consults with the person making the request to determine the suitability of the accessible format or communication support;
 - provides or arranges for the provision of accessible formats and communication supports in a timely manner that takes into account the person's accessibility needs due to disability, and at a cost no more than the regular cost charged to other persons; and
- notifies the public about the availability of accessible formats and communication supports.

b) Accessible Websites and Web Content

Planned Action

Lundin Mining will work toward making its websites and web content conform with the World Wide Consortium Web Content Accessibility Guidelines (WCAG 2.0) Level AA, subject to any exceptions set out in the IASR, by January 1, 2021.

4. Employment

a. Recruitment

Lundin Mining is committed to fair and accessible employment recruiting practices that attract and retain employees with disabilities. This includes providing accessibility across all stages of the employment cycle.

In accordance with the IASR, Lundin Mining does the following:

I. **Recruitment General**

Lundin Mining notifies employees and the public of the availability of accommodation for applicants with disabilities in the recruitment process. This includes:

- Ongoing review and, as necessary, modification of existing recruitment policies, procedures and processes; and
- specifying that accommodation is available for applicants with disabilities, on Lundin Mining's website and on job postings.

II. **Recruitment, assessment and selection**

Lundin Mining notifies job applicants, when they are individually selected to participate in an assessment or selection process and informs them that accommodations are available upon request in relation to the materials or processes to be used in the assessment/selection process. If a selected applicant requests an accommodation, a

consultation with the applicant and arrangement for provision of suitable accommodations in a manner that takes into account the applicant's accessibility needs due to the disability.

III. Notice to Successful Applicants

When making offers of employment, Lundin Mining notifies the successful applicant of its policies for accommodating employees with disabilities. This includes notification of Lundin Mining's policies on accommodating employees with disabilities in offer of employment letters.

b. Informing Employees of Supports and General Provision of Accessible Formats and Communications Supports

In accordance with the IASR, Lundin Mining informs its employees and new hires of policies that support employees with disabilities. This includes:

- informing current employees and new hires of Lundin Mining's policies supporting employees with disabilities, including, but not limited to, policies on the provision of job accommodations that take into account an employee's needs due to disability;
- providing information as soon as practicable after the new employee begins employment, specifically in the orientation process;
- keeping employees up to date on changes to existing policies on job accommodations with respect to disabilities;
- where an employee with a disability so requests it, providing or arranging for provision of suitable accessible formats and communications supports for:
 - information that is needed in order to perform the employee's job;
 - information that is generally available to employees in the workplace; and
- in meeting the obligations to provide the information that is set out above, consulting with the requesting employee in determining the suitability of an accessible format or communication support.

c. Documented Individual Accommodation Plans/Return to Work Process

Lundin Mining incorporates accessibility requirements under the IASR to ensure that barriers in accommodation and return to work processes are eliminated and corporate policies surrounding accommodation and return to work are followed, where applicable.

Lundin Mining' existing policies and practices include steps that Lundin Mining will take to accommodate employees with disabilities and to facilitate employees' return to work after absence due to disability.

Actions

Lundin Mining reviews and assesses existing policies to ensure that they include a process for the development of documented individual accommodation plans for Associates with disabilities, if such plans are required.

In accordance with the provisions of the IASR, Lundin Mining ensures that the process for the development of documented individual accommodation plans includes the following elements:

- information regarding the manner in which the employee requesting accommodation can participate in the development of the plan;

- information regarding the means by which the employee is assessed on an individual basis;
- information regarding the manner in which Lundin Mining can request an evaluation by an outside medical or other expert, at Lundin Mining' expense, to assist Lundin Mining in determining if and how accommodation can be achieved;
- the manner in which the employee can request the participation of a representative from the workplace in the development of the accommodation plan;
- steps to protect the privacy of the employee's personal information;
- information regarding the frequency with which individual accommodation plans will be reviewed and updated and the manner in which this will be done;
- the reasons for a denial if an individual accommodation plan is denied;
- information regarding the means of providing the individual accommodation plan in a format that takes into account the employee's accessibility needs;

The following will be included if individual accommodation plans are established:

- any individualized emergency response information that is required
- any information regarding accessible formats and communication supports that have been provided for or arranged, in order to provide the employee with:
 - information that is needed in order to perform the employee's job;
 - information that is generally available to employees in the workplace; and
- identify any other accommodation that is to be provided to the employee.

Lundin Mining's return to work process as set out in its policies outlines:

- the steps it will take to facilitate the employee's return to work after a disability-related absence;
- the development of a written individualized return to work plan for such employees; and
- the use of individual accommodation plans, as discussed above, in the return to work process.

d. Performance Management, Career Development and Redeployment

Lundin Mining takes into account the accessibility needs of employees with disabilities, as well as individual accommodation plans:

- when using its performance management process in respect of employees with disabilities;
- when providing career development and advancement to employees with disabilities; and
- when redeploying employees with disabilities.

Actions

In accordance with the IASR, Lundin Mining:

- reviews, assesses and, as necessary, modifies existing policies, procedures and practices to ensure compliance with the IASR;
- takes the accessibility needs of employees with disabilities and, as applicable, their individualized accommodation plans, into account when:
 - assessing performance;
 - managing career development and advancement; and
 - redeployment is required.

- reviews, assesses and, as necessary, includes in performance management workshops, accessibility criteria;
- takes into account the accessibility needs of employees with disabilities when providing career development and advancement to its employees with disabilities, including notification of the ability to provide accommodations on internal job postings; and
- takes into account the accessibility needs of employees with disabilities when redeploying employees, including review and, as necessary, modification of employee transfer checklist.
